Book now at altontowers.com

*Cbeebies Land Hotel only on 15th December 2017. Please be aware that Theme Park is open 10am - 2pm on this date and Pantomime will be at 2pm.

We are a family friendly Resort

- Please be aware of young guests when standing in a crowd or moving through the Resort.
- Smoking and the use of e-cigarettes is only permitted in designated areas of the Resort. Please refrain from smoking in non-designated areas/crowds.
- Please leave sparklers and fireworks at home, you won't be able to enter the Resort with them.
- If you've got young guests in tow, free child ID wristbands are available from the Resort Box Office, located on Towers Street. They provide extra peace of mind should you and your children become separated at any time.
- If your child/children become scared of the fireworks, Cbeebies Land provides a good escape from the crowds, where the fireworks can be watched from a distance.

Important Information

Alton Towers Fireworks

The Ultimate Fireworks Spectacular!
4th & 5th November 2017

TOP TIPS

1. Arrive on the front lawns (bottom of Towers Street) for 6.45pm!

The fireworks show starts at 7pm and lasts 25 minutes – make sure you get there early so you can find a good viewing spot – the best view is from the front lawns looking toward the Towers.

2. Plan your rides.

Some areas of the Theme Park (including all rides, restaurants, shops, etc.) close at around 5pm in preparation for the fireworks show (X-Sector, Cloud Cuckoo Land, Dark Forest, The Towers and some of CBeebies Land), however, they will re-open at some point after the show once they have been checked for any fireworks debris.

3. Don't rush off after the fireworks show!

The busiest time for traffic leaving the Resort is immediately after the show, so why not stay behind, miss the traffic and enjoy a ride before you leave, or perhaps a bite to eat from a nearby restaurant in Towers Street, Mutiny Bay, Katanga Canyon or Forbidden Valley? If you're heading towards Dark Forest or X-Sector after the show, please use the pathway that runs past CBeebies Land and Spinball Whizzer (see map).

4. Know your way out.

If you are parked on the main car parks or the grass car park, your best route out after the show is through the Galactica gates in Forbidden Valley (Exit 1). If you are disabled, being picked up or travelling by coach, we recommend leaving through the main entrance (Exit 2). We want everyone to get home safely and will be guiding you out as quickly as possible. Please be prepared for delays when leaving the car parks and respect our neighbours in the community.

Exiting the Theme Park after the show

There are two main exit points after the fireworks show.

Please be cautious when returning to your cars and be aware of moving vehicles at all times.

The routes back to all car parks are lit at low level.

① Exit 1 - For all car parks. The quickest exit is through the Galactica Gates in Forbidden Valley (via Katanga Canyon and Gloomy Wood).

② Exit 2 - For Drop Off and Pick Up Points, Coaches and Disabled Guests. Exit via the Theme Park Entrance.
